Marine Drifting Buoy

Ocean Monitoring, Navigation & Offshore Mooring Buoy Series

MarineConn marine drifting buoys serve ocean environment monitoring, navigation marking, offshore mooring and scientific observation. Built on HDPE floating hulls with 30-100 kg buoyancy, IP68 waterproof construction and solar-powered sensor platforms, the series covers custom OEM buoys for coastal, inland and offshore waters, plus U2 grade hot-dip anchor chains with swivel & shackle.

Key Features

- Buoyancy options from 30 to 100 kg, IP68 waterproof hulls
- HDPE floating hulls with reflective tape for safe navigation
- Solar-powered platforms for ocean environment monitoring
- Custom OEM navigation, mooring and observation buoys
- U2 grade hot-dip anchor chains with swivel & shackle

Series Overview

Navigation Marker Series	High-visibility marker buoys with reflective tape
Monitoring Buoy Series	Solar-powered ocean environment observation platforms
Mooring Buoy Series	Offshore mooring and industrial navigation floats
Accessories	U2 grade hot-dip anchor chains & shackles

1 Custom OEM Drifting Buoy for Ocean Environment Monitoring

2 Ocean Buoy with 30-100kg Buoyancy, Navigation Marker (Haisi)

3 IP68 Waterproof Marine Buoy with 50kg Buoyancy

4 Reflective Ocean Marker Buoy with 3m Tape

5 Durable 50kg Buoyancy Buoy, IP68 Waterproof

6 HDPE Marine Floating Navigation Ocean Buoy

7 Custom Navigation Buoy, Offshore Mooring Float, OEM

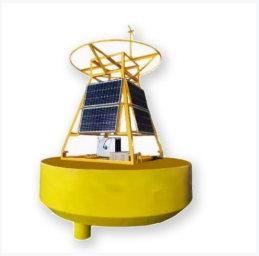

8 Floating Ocean Research & Scientific Observation Buoy

9 Marine Buoy Factory Custom Navigation & Monitoring

10 Heavy Duty Marine Navigation Marker Buoy

11 Industrial Offshore Navigation Mooring Buoy

12 High-Visibility Navigation Buoy for Coastal Waters

13 U2 Grade Hot-DIP Anchor Chain with Swivel & Shackle

Specifications & Ordering

Buoyancy	30-100 kg options for offshore and coastal deployments
Hull Material	HDPE floating hull, UV & corrosion resistant
Ingress Protection	IP68 rated waterproof marine buoy construction
Power	Solar panels with battery for autonomous operation
Navigation	High-visibility colors, reflective tape marking
Applications	Ocean monitoring, navigation, mooring, research
Service	OEM / ODM custom buoy sizes and configurations
Accessories	U2 grade hot-dip anchor chain with swivel & shackle

About MarineConn

MarineConn is a manufacturer of subsea connectors, underwater electrical connectors and waterproof connector solutions, specializing in watertight connectors, cameras, sealed housing and customized connectors for all types of underwater products. We focus on product manufacturing to build a strong brand and support OEM / ODM customization for global marine engineering customers.
