J30J Connector

Micro Rectangular Connector Series for Aerospace & Industrial Use

MarineConn J30J series micro rectangular connectors are mil-spec qualified, compact and high-density with gold-plated contacts. Offered in 9 to 100+ pin counts with solder / crimp terminations, PCB and cable mounting in straight and right angle versions, they serve aerospace, avionics, PLCs and industrial control, with custom wire harness assemblies and OEM / ODM factory supply.

Key Features

- 9 to 100+ pin counts, solder and crimp terminations
- Mil-spec gold-plated contacts for reliable signal integrity
- PCB mount and cable mount, straight & right angle versions
- Aerospace grade with custom wire harness assemblies
- Compact micro rectangular design for PLCs & avionics

Series Overview

Standard Series	9-pin plugs and sockets, solder type
PCB Mount Series	Right angle sockets, gold-plated contacts
100-Pin Series	High-density plugs with 150mm cable & clamp A3
Custom & OEM	Aerospace wire harness, OEM/ODM solutions

1 High-Performance J30J Micro Rectangular Connector

2 J30J Micro Rectangular Connector, China Manufacturer

3 Reliable J30J Connector, OEM/ODM Factory Supply

4 Aerospace Grade J30J Connector, Solder/Crimp Type

5 IP68 J30J Series, PCB & Cable Mount, Mil-Spec Gold Plated

6 Gold Plated J30J PCB Connectors, Male & Female

7 Customized J30J Series Right Angle Socket

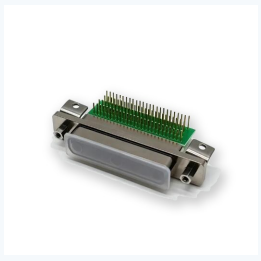

8 Compact J30J Micro Rectangular Connector for PLCs

9 J30J 9-Pin Connector Plug, Solder Type, Gold Plated

10 J30J 9-Pin Connector Socket, Right Angle PCB Mount

11 J30J 100-Pin Connector, Right Angle PCB Mount Socket

12 J30J 100-Pin Connector Plug with Cable 150mm

13 J30J 100-Pin Connector with Cable Clamp A3

Specifications & Ordering

Series	J30J micro rectangular connectors
Pin Counts	9 / 15 / 25 / 51 / 100 pins, custom on request
Contact Plating	Gold-plated, mil-spec reliability
Termination	Solder and crimp types
Mounting	PCB & cable mount, straight / right angle
Protection	IP68 options available
Applications	Aerospace, avionics, PLCs, industrial control
Customization	OEM / ODM harness and pin layouts

About MarineConn

MarineConn is a manufacturer of subsea connectors, underwater electrical connectors and waterproof connector solutions, specializing in watertight connectors, cameras, sealed housing and customized connectors for all types of underwater products. We focus on product manufacturing to build a strong brand and support OEM / ODM customization for global marine engineering customers.
